SECTION 2: INSTRUCTIONS TO APPLICANTS

FORMAT AND SIGNING OF APPLICATION

- 2.0 The applicants shall prepare one document comprising the pre-qualification document, as described in Instructions to participants, bound with the section containing the Appendix to instructions and clearly marked with the CATEGORY.
- 2.1 The pre-qualification document shall be typed or written in indelible ink (in the case of copies, photocopies are acceptable) and shall be signed by a person or persons duly authorized to sign on behalf of the applicant. The person or persons signing the pre-qualification document shall initial all pages of the tender where entries or amendments have been made.

The pre-qualification document shall be without alterations, omissions or conditions except as necessary to correct errors made by the applicant, in which case such corrections shall be initiated by a person or persons signing pre-qualification.

2.2 SUBMISSION OF APPLICATION

Application for pre-qualification shall be submitted in sealed envelopes marked with the pre-qualification document name and reference numbers deposited in the tender box at NexGen Fuel Works reception or sent on email with all the attachments addressed to tender Committee info@nexgenfuelworks.com and are to be received on or before **12.30 pm Friday 21st February**

2025. Applications received after the closing date shall be rejected and returned to the applicant unopened.

2.2.1 All the information requested for pre-qualification shall be provided in English.

2.2.2 Failure to provide information that is essential for effective evaluation of the applicant's qualification or to provide timely clarification or substantiation of the information supplied may result in the applicant's disqualification.

2.3 ELIGIBLE PARTICIPANTS

Only suppliers registered with Registrar of Companies under the Laws of Kenya, Uganda & Tanzania in respective merchandise or services are invited to submit their Pre-Qualification documents. Prospective suppliers are required to supply mandatory information for pre-qualification.

2.4 QUALIFICATION CRITERIA.

i. Experience:

- a) Prospective bidders shall have at least 1 years' experience in the supply of goods, services and allied items. The potential supplier should show competence, willingness and capacity to service the contract following pre-qualification.
- b) Prospective suppliers require special experience and the capability to organize supply and delivery of services at short term notice.

ii. financial condition

- i. The Supplier's financial condition will be determined by latest financial statements submitted with the pre-qualification document as well as letters of reference from their bankers regarding suppliers' credit position.
- ii. **Value for money:** pre-qualification will not only be based on the prices of goods or services on the supplier's price list, but pre-qualification will be best on the quality of the goods or service at reasonable prices.
- iii. **Terms of trade:** Better terms will be an added advantage on pre-qualifying the bidders.
- iv. **Past performance:** Past performance will be given due consideration in pre-qualifying bidders.

2.5 COST OF APPLICATION.

The applicant shall bear all costs associated with the preparation and submission of the pre-qualification documents and Nexgen Fuel Works will not be responsible or liable for those costs, regardless of the conduct and/or the outcome of the pre-qualification process.

2.6 CLARIFICATION OF PRE-QUALIFICATION DOCUMENTS.

The prospective applicant requiring any clarification on the pre-qualification documents may notify the NEXGEN FUEL WORKS LTD. tender committee in writing at email address info@Nexgenfuelworks.com.

The committee will respond through email to any request that it receives earlier than 4 days prior to the deadline for the submission of applications.

2.7 AMENDMENT OF PRE-QUALIFICATION DOCUMENTS

At any time prior to the deadline for submission of applications, the Tender Committee may, for any reason, whether at its initiative or in response to a clarification requested by a prospective applicant, notify the pre-qualification documents by issuing subsequent addenda.

The addendum thus issued shall be part of the pre-qualification documents and shall be communicated in writing to all the purchasers of the pre-qualification documents. Prospective applicants shall promptly acknowledge receipt of each addendum in writing.

In order to afford prospective applicants reasonable time to take an addendum into account in preparing their applications, the Tender Committee may, at its discretion, extend the deadline for the submission of applications.

2.8 OPENING OF PRE-QUALIFICATION DOCUMENTS:

The Tender Committee shall open all tenders on **21st February 2025** at NEXGEN FUEL WORKS LTD offices.

2.9 CONFIDENTIALITY

Information relating to the examination, evaluation of applications, and recommendations for pre-qualification of the successful participants shall not be disclosed to applicants or any other persons not officially concerned with the process until pre-qualification of the successful applicant has been announced. Canvassing will lead to automatic disqualification.

2.10 NOTIFICATION OF QUALIFIED APPLICANTS

Applicants whose applications are determined to be successful will be notified by the organization within fifteen (15) days from the date of opening pre-qualification documents.

2.11 NEXGEN FUEL WORKS LTD.'S RIGHT TO ACCEPT ANY APPLICATION AND TO REJECT ANY OR ALL APPLICATIONS

NEXGEN FUEL WORKS LTD. reserves the right to accept or reject any application, and to annul the pre-qualification process and reject all applications, at any time prior to approval of contract, without thereby incurring any liability to the affected applicant (s) or any obligation to inform the affected Applicant(s) of the grounds for NEXGEN FUEL WORKS LTD.'s action.
